## MOCK TRIALS: CRITICAL THINKING IN CRIMINAL JUSTICE

Students learn to use critical thinking skills to resolve factual and legal issues appropriate to their ages through a series of educational games and participation in mock trials playing the roles of judge, prosecutor, defense counsel, court personnel and witnesses.

Each game and mock trial addresses a different method of analyzing information from multiple sources to help students develop skills in resolving problems and interpersonal conflicts

Taught by an experienced judge, prosecutor, and educator

Cost: \$95
