Current 1st through 6th graders are eligible to participate and may register at the link above. 7th and 8th graders are also eligible to participate and registration will open in November for that age group. This year we are offering the skills and drills program for our 1st and 2nd graders. This will begin as skills and drills practice for the beginning of the season and transition to a combination of practice and games in the second half of the season. We will also be offering a recreational program to participate in the Saucon Valley Rec League and a competitive travel program which will participate in the LVKBL and the Rising Stars League. These are available to our 3rd through 6th graders. Tryout dates for our travel teams will be communicated closer to the dates to those individuals who marked an interest in their child's registration. Please reach out with any further questions to southernlehighyouthbasketball@gmail.com and visit our website for more information.
