

Spartan Youth Field Hockey

Registration Open until July 7th

We are excited to kick off our 6th year of Spartan Youth Field Hockey! The program was developed to introduce the sport of field hockey to elementary age players and provide them with the opportunity to practice what they learned and be part of a team in semi-competitive team environment. This year's season will kick off in early August and run through mid-October.

EXCITING UPDATE! This year, we will be participating in the Lehigh Valley Youth Field Hockey League. We will be competing against and playing our games at schools located throughout the Lehigh Valley (like the youth lacrosse program).

AGES: We will have three divisions - Grades 1-2, Grades 3-4, and Grades 5-6. We invite and encourage players of all levels to join. No experience needed!

PRACTICES: August 4th – October 12th. Exact days/times for each team will be confirmed by division coaches closer to the season starting. There will be no more than 2 practices per week with games on Sundays.

GAMES: Sundays, beginning August 24th through October 12th (Raindate: October 19th). Games will be held at local Lehigh Valley schools (similar to the youth lacrosse program). The schedule with exact locations and game times will be posted in TeamSnap.

Note – Southern Lehigh will not be hosting a game this season. We will begin hosting games, beginning next year with the 2026 field hockey season.

UNIFORMS: Players will be wearing the same uniform as last year, which is also the same uniform that was worn for the spring lacrosse program. If your child has a uniform from last season or a lacrosse uniform (reversible blue/white/orange pinny/black skirt/shorts), you do not need to order for the fall field hockey season. If you need to order, please do so through the TeamSnap registration. This year, pinnies are \$44.50 and skorts are \$30.00.

COST: \$110 per player
