During this period, the employee's performance will be regularly assessed and evaluated. Should an employee be evaluated during this probationary period as unsatisfactory in terms of performance, attendance, or other measurement, immediate termination may occur.

A seniority list by job classification shall be provided upon request.

### **a. Furloughs**

Should a layoff or furlough be necessary, the Board will retain the employee with the most seniority\*, provided the employee has the ability to do the necessary work. The capability of the employee to do the necessary work will be determined by the Superintendent or his/her designee.
