

## **Southern Lehigh School District STUDENT DATA NON-DISCLOSURE Acknowledgment**

### **Student Data Non-Disclosure Agreement Form:**

Individual student information maintained in the **Pennsylvania Information Management System** is collected for the purpose of meeting local, state and federal reporting requirements. State and federal laws protect this data and the data must be maintained in a confidential manner at all times. As an individual authorized to access student data, you are required to maintain this information in a confidential manner. Any unauthorized access to, modification, deletion, or disclosure of these data is a violation of this agreement and potentially a violation of state and federal laws governing the confidentiality of education data, and it could constitute a punishable act.

Unauthorized viewing, reproducing/copying, and/or distribution of any student record or information outside the intended and approved use are strictly prohibited. Users violating this agreement will lose access privileges to the data.

I certify that I have reviewed PDE's Student Data Access and Use Policy Statement, which is attached to this packet. I hereby acknowledge and agree to comply with the Policy and the above requirements.
