

The background features a large, faint watermark of the Southern Lehigh School District logo. The logo is circular and contains the text "SOUTHERN LEHIGH SCHOOL DISTRICT" at the top and "CENTER VALLEY, PA" at the bottom. In the center of the logo is a shield with a sunburst design.

*Southern Lehigh School District  
Hybrid Instructional Model  
Review & Enhancements*

*Learning - Serving - Leading  
One Interaction at a Time*

# *SLSD Hybrid Instructional Model Review & Enhancements*

- Remote Support for Student Technology Issues*
- Support for Students with Individualized Education Plans*
- Building Level Administrative Observations*
- Substitute Teacher Technology Training*
- School Board Building Tours*
- Curriculum and Instruction Meetings*
- Professional Development Training*
- Town Halls with the Superintendent*
- Friday Student Support Day's*

## *Remote Support for Student Technology Issues*

- The Southern Lehigh School District Information Technology Department is able to provide students submitting SLSD Technology Helpdesk Tickets with Remote Support.*
- This cuts the response time to SLSD Technology Helpdesk Tickets Down and ensures that students miss less instruction than they would have without this capability.*

# *Support for Students with Individualized Education Plans*

- *The Southern Lehigh School District Special Education Department has worked closely with families to develop supports for students to ensure access to services outlined within the Individualized Education Plans which include;*
- ◆ *Multiple Meetings with Special Education Staff and District Families to Explain Available Supports*
  - ◆ *4 Day Per Week In-Person Support for Students with Individualized Education Plan Needs*

# *Building Level Administrative Observations*

- *The Building Level Admin (Principals and Assistant Principals) are completing routine Formal and Informal Professional Observations of Professional Staff in both the Hybrid and Fully Remote settings*
  - ◆ *During these observations the Building Level Admin are able to observe individual staff members instructional practices, seek feedback from staff, and provide professional support as needed.*

# *Substitute Teacher Technology Training*

→ *Complete a focused in-person Instructional Technology Training to interested Substitute Teaching Staff. The following topics were covered;*

- ◆ *Canvas*
- ◆ *Google Classroom*
- ◆ *SeeSaw*
- ◆ *Zoom*
- ◆ *How to Place an SLSD Technology Helpdesk Ticket*

# *School Board Building Tours*

- *Interested School Board Members completed building tours*
- ◆ *These tours allowed School Board Members to view the following;*
    - *The Hybrid Instructional Model*
    - *The Fully Remote Instructional Model*
    - *COVID-19 Student Lunch Procedures*
    - *Students Engaged in Recess*
    - *An opportunity to speak with various District Staff members about the opening of school*

# *Curriculum and Instruction Building Level Meetings*

- *Members of the District Level and Building Level Administration have participated in discussions covered the following topics;*
- ◆ *Review the Opening of School*
  - ◆ *Discuss specific experiences in K-12 school buildings in the Hybrid and Fully Remote Models*
  - ◆ *Enhancements and Improvements that can support the successes of the Hybrid and Fully Remote Instructional Models*
