

## Remote ImPACT Concussion Testing Instructions:

The ImPACT baseline test takes approximately 30-45 minutes. Please have a quiet testing environment with limited/no distractions. This test is used to measure baseline values in the event of a brain injury.

### Instructions:

- 1) Open up your web browser. Google chrome typically works the best.
- 2) Please go to [www.impacttestonline.com/testing](http://www.impacttestonline.com/testing)
- 3) Please enter this code into entry box:  
**AZYV8QSNXT**

- 4) You will then click Validate

Please enter your Customer Code:

Firefox and Internet Explorer users - please disable pop up blocker to launch the test.

8) When this screen pops up: Click **Enter Addition Demographics**

9) As you work through the demographic questions, a sports related question will come---If your sport **does not have a position and/or you do not have an assigned position you can leave that section blank**. Years of experience is asking how many years have you played at the middle school level or high school level (example: 7th grader=0 and Freshman=0):

# SOUTHERN LEHIGH SCHOOL DISTRICT

## Sports Medicine

5800 Main St  
Center Valley, PA 18034

### 9) READ ALL DIRECTIONS CAREFULLY AND THOROUGHLY

10) When you have completed the test your end screen will look like the picture below. **An email DOES NOT need to be entered!** We recommend taking a picture or screen shot for your records.

If your test reads “Baseline ++” after Test Type, that is considered an invalid score. You will have to retake the exam at your convenience (see below for an example of an invalid score).

If your score reads “Baseline” after Test Type you can exit out and you are good to go!
