

# SOUTHERN LEHIGH

## HIGH SCHOOL

March 16, 2021

Dear Parent(s)/Guardian(s) of Current Juniors:

Each spring, school counselors meet with juniors to review grades, senior course requests, and discuss future goals. In an effort to collaborate with parents who have questions about postsecondary planning, we are inviting you to attend this student meeting via Zoom. Parental involvement in the meeting is entirely optional. Meetings will be virtual for those interested parent(s); students may attend either in person or via zoom.

Junior meetings are 30 minutes in length and will be held between **March 22nd - April 30th from 8:00am to 3:00pm**. To schedule a virtual appointment with your child's school counselor, please go to: <https://www.slsd.org/Page/13323>.

Additionally, please be aware that there are numerous videos and resources on the [SLHS Guidance website](#) with information regarding college planning.

Despite this year's challenges, please know that we are here to support your student(s). If you have any questions or concerns, please feel free to contact us via email or phone (610-282-1421).

Sincerely,

Christie Piascik
