| | *The Alio system is the epicenter of all HR and financial data for the district, and this conference brings using the system all over the country together to explain new sources of programming and updates. This year major new changes are occurring in the way we file sate and federal reports related to healthcare reform and IRS fillings, and Alio will rolling out new systems to create and upload data sets. The Alio dashboards will also be rolled out to ease the way employees can received information, which can be helpful with our new HR portal. Time Clock Plus will also be in attendance to show new ways that the two systems can integrate, which improve our systems.* | | 10/4/16 10/5/16 10/6/16 | | | | |

Deneen Carreras Andrea Scherzberg	**2016 Alio User Conference** *This conference will give the opportunity to attend multiple sessions pertaining to HRS. They will have a session on Affordable Care Act and 105C processing. During that session they will walk through all the new steps to generate and create files for both the 109C and 1094C. Discussion will also be on proposed changes and the improvements that will be made to Alio and enhance the 1094C and 1095C process. Overall review of the TimeClock will take place since both vendors will attend the conference. I will be able to set up an open forum session. There will also be a session on fiscal year. They will walk through the new steps for FYE beginning with prerequisites in FAS, setting up payrolls in the New Year and the timing of each step when they may be accomplished for efficiency in the school district. System Administration is a new session. This will show me what reports are available, new program menu and work menus. The Employee Service Portal (ESP) is a new session. This will cover techniques that will help me successfully build more advanced reports in Web Intelligence. Attending the conference will give me the opportunity to network with other Alio user and the Weidenhammer support team.*	Tempe, AZ	10/4/16 10/5/10	2	0.00	L	4,220.00
