

**SOUTHERN LEHIGH SCHOOL DISTRICT**

**Permission to Display Staff/Student  
Photograph, Video, Audio Clip or Student Work**

I hereby grant permission to Southern Lehigh School District (SLSD) to use publicly and/or display my/my student’s photograph, video, audio clip, or student work on the SLSD web site, individual school web pages, or in other official SLSD publications. I acknowledge SLSD’s right to crop, edit, or treat the photograph, video, audio clip, or student work, while maintaining the original work as closely as possible at its discretion.

I also understand that once my/my student’s photograph, video, audio clip, or student work is published on a web site, it can be downloaded by any computer user, on or off campus. Items published on the website may remain posted indefinitely. All student work displayed on the School District web site will remain the intellectual property of the student. Personal information, such as a student's full name, parents’ names, addresses, and telephone number will not be published. If a student’s name is used with a photograph, video, or audio clip, it will be in the form of a first name and last initial. For example, student Jane Doe may be listed as “Jane D.” Postings for any items below for which permission has been granted, may remain displayed until the time the District chooses to remove it, or until a request has been made by the student or parent to remove it from display.

Therefore, I agree to indemnify, defend, and hold harmless the Southern Lehigh School District, members of its School Board, officers, employees, agents, successors, and assignees (the "Indemnified Parties") from and against any and all claims and liabilities resulting from this publishing.

Permission is granted for the use requested for the period of time that your child is enrolled in their current building as follows:
