

## JPLIS Summer Reading

Please read at least 3 books this summer. Choose books that you love and that are close to your reading level. When we come back to school in August, turn this packet in to either your ELA teacher, Mrs. Rasich in the Library or Mrs. Heurich, the JPLIS Reading Specialist. We can't wait to see the great books that JPLIS students are reading this summer! Students who complete this and hand it in will be invited to a special event with a sweet treat in September! Last year we had so much fun outside eating Rita's Water Ice. We can't wait to see you all at the 2024 Summer Reading Celebration in September! Just read 3 books and turn in this packet to receive an invitation!

Happy Reading, everyone!

And have a wonderful summer!
