- In Tier 1, all students receive high quality, core instruction in the general education classroom.
- In Tier 2, the school provides interventions to students who need more support than they are receiving from core instruction.
- In Tier 3, students are given more intensive instruction and intervention.

### Multi-Tiered System of Support (MTSS):

- Is a comprehensive framework for enhancing academic, behavioral, and social-emotional outcomes for all students.
- Is a proactive model.
- Targets areas for instruction.
- Collects and generates specific data on your child's progress.
- Utilizes multiple sources of data to make instructional decisions.
- Includes three tiers of support to help students who are at risk of not attaining grade level standards and proficiency.

### Parent/Guardian Support

*There are many ways you can support what your child is doing in school. Here are a few:*

- Make reading an everyday habit at home.
- Communicate with your child's teacher.
- Monitor and assist with assignments.
- Attend parent/teacher conferences and other school meetings about your child.
- Learn more about the curriculum and interventions being used in your child's school.
- Share your child's successes.
