              S. Knoll, M. Farris, T. Walter, A. Bausher, N. Castetter, T. Lentz, C. Bonsall,  
              D. Werkheiser

ABSENT:

**II. OLD BUSINESS**

T. McGinniss - Middle School art wing, the fire alarm cannot be heard. S. Knoll will speak with Dr. Donahue and Mr. Hankee. T. Bergey is working with E. Malmberg to have it go off over the phone system.

J. Thomas - This has been a most trying winter, can we come up with a plan to have the grounds crew in early to clear spots for other essential staff to park. During a snow event grounds crew objective is to get parking lots clear for staff, depending on the situation they will try and clear spots for custodial staff.

### III. NEW BUSINESS

On March 19, 2021 the Safety Committee had its annual Safety Training.

T. McGinniss - Tested water level was high in lead at Middle School. We randomly test the water, we are having water retested.

S. Knoll - More training for staff on slips, trips and falls.

### IV. ACCIDENT/INCIDENT REVIEW

### V. RECOMMENDATION TO MANAGEMENT

### VI. SAFETY TOPIC - Lightning Safety

### VII. NEXT MEETING - May 21, 2021

### VIII. ADJOURNMENT - 12:50pm
