## PROJECT PROGRESS REPORT

AUGUST 2023

### ATHLETIC STADIUM ENHANCEMENTS

Legion NXT Slit film/Monofilament

## GETTING READY TO TAKE THE FIELD:

With NEW bleachers for the *home crowd* and an impressive press box providing a superior vantage point for observation of all games and activities on the new field and track - August is all about **Track & Field** as SHAW Sports Turf works in concert with Athletic Fields of America to install our new Shaw *Legion NXT* synthetic turf. – **GO SPARTANS !!!**

*Figure 1. The SPARTAN LOGO sits atop the exciting two tone green field of play waiting to be sewn into Spartan Athletics history as the first Turf field that will support Southern Lehigh High School field sports including: Football, Soccer, Field Hockey and Lacrosse.*

All totaled the new stadium will be host to **more than 120 Events per year** with **more than 78,500 spectators** anticipated based on average attendance. This includes increased ADA compliant access and seating for families with disabilities in our newly increased capacity bleachers sporting **2,000 person capacity**. Make sure you are ready to be among our fans at our opening season Football game scheduled for Friday, August 25<sup>th</sup> vs. Quakertown at 7:00 PM .

# NEW STADIUM BLEACHERS FOR THE HOME CROWD!

Home Grandstand with increased seating (over 2,000 seats) with the latest in ADA compliance and safety guidelines along with a New and improved 8'x42' galvanized steel supported press box connected to the stadium bleacher, independently supported by columns and a concrete foundation. Now we will have the opportunity to host both print media and digital (TV) inside of the press box!

## WHAT'S LEFT?

All wiring for power & controls

Installation of Scoreboard

Installation of Turf & Track

Updates will be made available on our district website: [www.slsd.org](http://www.slsd.org).
